Summary: Two Haikus about Toothless and Hiccup. Requested by xXTheDevilandTheDragonXx

Unlikely Friends You and Me

**A.N so xXTheDevilandTheDragonXx requested a haiku about Toothless and Hiccup. Well I wrote one and I felt it needed a companion much how Hiccup and Toothless are companions so here you go love ^.^ I hope they're ok because I haven't written haikus since I learned to write them. Never were my strong suit. But here ya are love.

Shot down to prove me

Unlikely friends you and me

Built up to help me

Taker of my tail

Unlikely friends you and me

Builder of my hope
